When Do I Need to Update?

The screenshot shows a software window titled "Accession Form" with a blue title bar. Below the title bar is a navigation bar with a back arrow, a page number "10" in a box, "of 10", a forward arrow, a double forward arrow, a plus sign, and a red X. The main form area has a light yellow background and contains several input fields:

- Accession Name:** An empty text box.
- Accession ID:** A text box containing "508947".
- Accession Prefix:** A text box containing "VICUÑA_ID".
- Accession Number:** A text box containing "95041".
- Accession Suffix:** A text box containing "lg".
- Taxonomy:** A text box containing "23113", which is highlighted with a red rectangular box.
- Initial Received Date:** A dropdown menu showing "10/19/2009".
- Initial Received Date Format:** An empty dropdown menu.
- Site:** A partially visible text box at the bottom.

...when to update...

	Accession ID	Accession Prefix	Accession Number	Accession Suffix	Taxon	Accession Name	
	384717	PI	502588		26865	AR-48	1
	384718	PI	502589		37382	AR-220	5
	431014	PI	548888		43269	14121	7
	431015	PI	548889		26840	14022	7
	431016	PI	548890		26840	14167	6

...when to update

The screenshot displays a software interface with a table of inventory data. The table has columns for Inventory ID, Inventory Prefix, Inventory Number, Inventory Suffix, Inventory Type, and Inventory Maintenance Name. Two rows are visible, both with Inventory ID values of -1 and -2, and Inventory Type values of [Null].

Overlaid on the table is a 'LookupPicker' dialog box. It contains a hint: 'HINT: For big lists, use the text filter to shorten the list search.' Below the hint is a text input field labeled 'Filter ->' containing the letter 'a'.

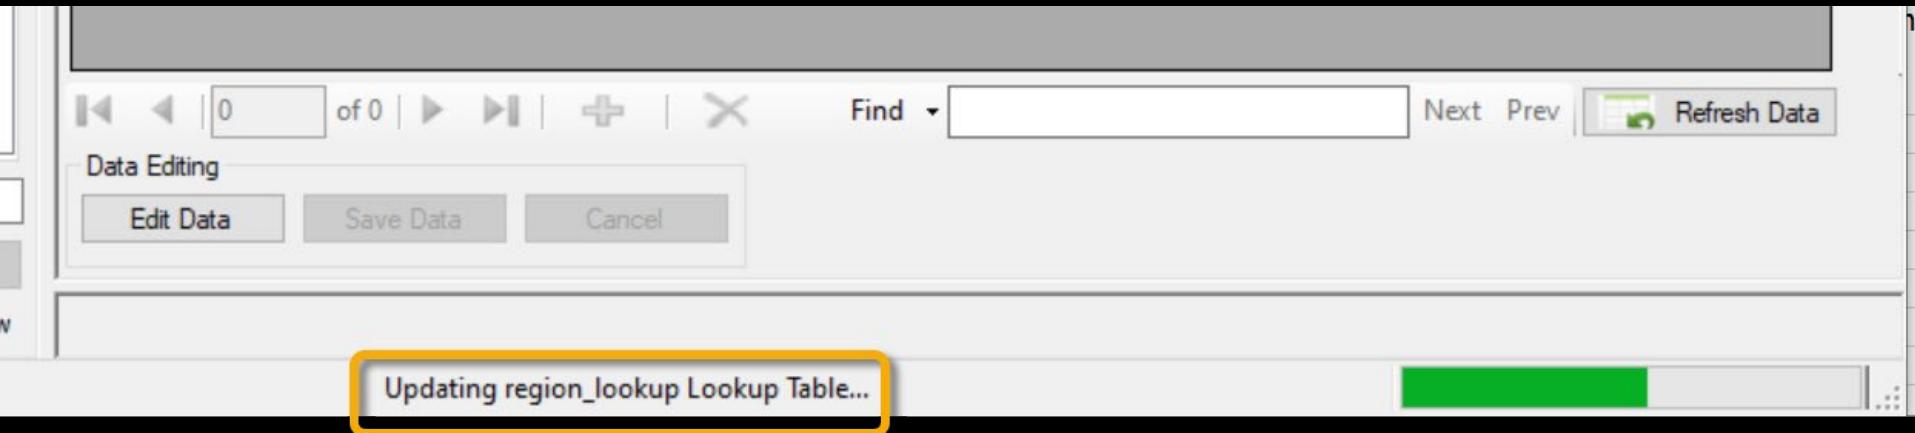

In the foreground, a 'Partially Loaded Lookup Table' warning dialog box is open. It features a yellow warning icon and the following text: 'WARNING! The system can not perform Update for 'inventory_maint_policy_lookup' until the table has been successfully downloaded'. An 'OK' button is located at the bottom of the dialog.

Inventory ID	Inventory Prefix	Inventory Number	Inventory Suffix	Inventory Type	Inventory Maintenance Name
-1				[Null]	
-2				[Null]	

You update...

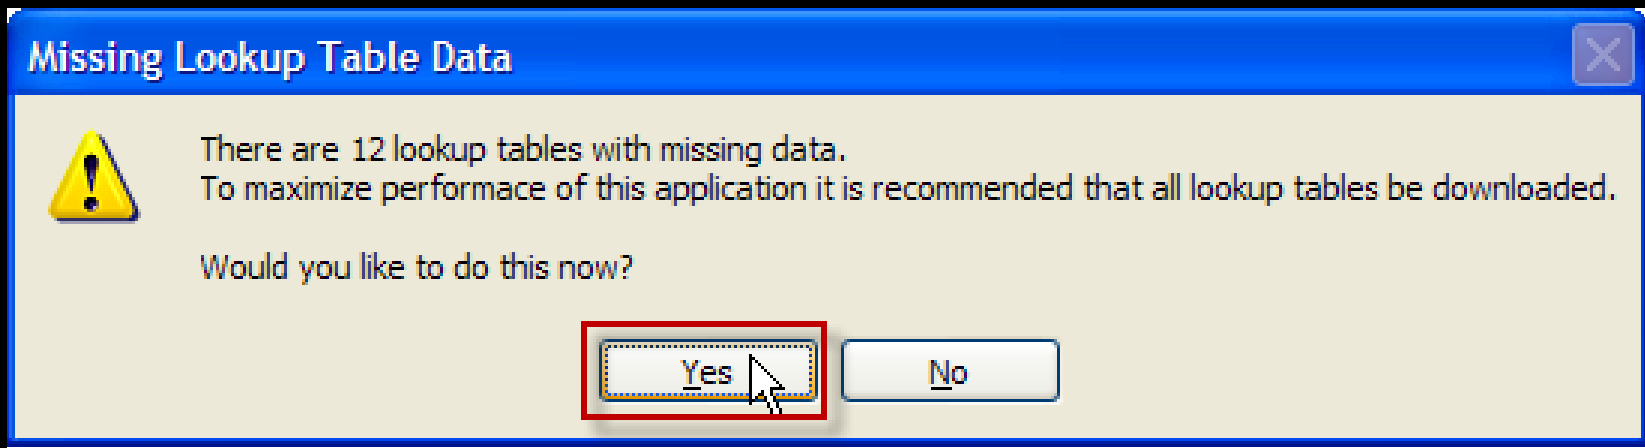

- when you start the Curator Tool (CT)
(automatically)
- whenever you want or need to

When starting the CT...

...how? ...

The screenshot displays a web-based data management interface. At the top, there are navigation tabs for 'Accessions', 'Inventory', 'Orders', 'Geography', and 'Crop'. Below these is a table with columns for 'Accession ID', 'Accession Prefix', 'Accession Number', 'Taxon', and 'Accession Name'. The first row is highlighted in blue. To the right of the table is a 'Column Chooser' and 'Other Options' panel. A red dashed arrow points from the 'Warn about Lookup Table Updates' checkbox to the 'Lookup Table Maintenance' button.

Accession ID	Accession Prefix	Accession Number	Taxon	Accession Name
384717	PI	502588	Rubus caesius	AR-48
